

BANDO

Letter #18
December 21st, 2022

ABA/NBAA Family,

As we are approaching the event honoring Dr. Gyi, we are excited to offer the sale of shirts representing our great association. Due to the short notice, this will work best by knowing the amount of interest and preordering your items **no later than December 28th, 2022**. Your name, size and quantity will be needed ASAP. To save you on shipping, orders may be picked up and paid for at the door of our event on January 14th.

We encourage you to wear this shirt during the banquet if you like. Again, if you would like to purchase, **we must receive your information ASAP (by 12/28) so that our order can be placed on time.** This polo is of nice quality and looks sharp representing our system. Dr. Gyi has received one of these already and he likes it very well. We look forward to seeing you soon! Merry Christmas and Happy New Year!
