

# BANDO

Letter #17

December 15<sup>th</sup>, 2022

As a reminder to all, we are very excited for the January 14 event in Baltimore, MD, where we will be honoring Dr. Gyi for his over 60 years of tireless dedication to preserving the Hanthawaddy system of Bando.

Please go to the event website and purchase a ticket as soon as possible. This will be a historic event and a chance for us to honor Dr. Gyi for all he has done for each of us. We have an excellent list of speakers that will be sharing some of their Bando experiences and we will also be presenting Dr. Gyi with a very special gift.

You can purchase a ticket and view all of the event specifics here:

The ABA/NBAA would also like to extend a wish for a fun, healthy and safe holiday season. Merry Christmas and Happy New Year to all! May you all have a blessed holiday.
